

Attachment 1

Response to Question 9 and 47 C.F.R. § 63.12

COL Audio Services Group, LLC (“COL Audio”) requests streamlined processing of this Application under Section 63.12 of the Commission’s rules, as its application raises no foreign-ownership, competition, or other public-interest concerns that would warrant scrutiny outside of the Commission’s streamlined approval procedures. Streamlined processing is appropriate because COL Audio is not a foreign carrier and is not affiliated with any foreign carrier (much less any foreign carrier with market power on the foreign end). Moreover, COL Audio is not affiliated with any dominant U.S. carrier whose international switched or private line services COL Audio seeks to resell. Finally, as noted in Attachment 2, COL Audio has no cognizable direct or indirect foreign ownership.
